Precis of the records connected

of institute for the resto-

As a preliminary to this
case the genealogy of the petitioner's
family will be traced here.

Note on I

Greeniasa Cher appears to have
not held the Inam till now
Ramachandrarao Cher seems to
have given it up on account of
his weak sight.

Greeniasa Cher had assigned
the Inam in 1852 to one Rama
Sasappa for 3 years. During
the Inam settlement of 1850
the Inam was resumed &

given over for full payment
to the said mortgaged holder.

Krishnappa at his own request.

The latter getting misused the loan
in 1881 & it was next held
by the present tenant Krishnappa.

Note on II

Krishnachar & ^{his} son were indebted
to the petrs.

(This petrs. is the one of 2.7.94. No. 24. Teravakar file.)

1. Facts of the case: -

This question arose on
the several petitions submitted
by the petrs. to the Madras, the District
& the Govt. (including those
addressed to H. H. The Maharajah
Regent) praying that the
Chattamanga land of K. K. K.
under the Adolokheri taluk
of Srirangapatna, once held by her
nephew-in-law Krishnachar
which was resumed by the
Govt. during the loan settlement
owing to the loanholder's absence
may be restored to her as
she has now no other means

of linealhood. The pet^r produced
 lot of old records before the reg-
 istrar on 12.10.95 to establish
 her right to the Inam. These are
 the several orders to the Shikdar to
 see that the different houses of
 the Inamdar take the produce.
 The pet^r also produced a mortgage
 deed of 18.2.62 along with her
 pet^r to the reg^r on 3.4.92.
 This mortgage deed was executed
 by the said Inamdar to
 one Kanadasappa mortgaging
 the Inam land for 50 Rs for a
 period of 10 years. In 1870 the
 Inam Settlement seems to have
 taken place when the Inamdar
 not having been present the
 Inam was ordered to be attach-
 -ed. Subsequently another order
 was passed for resuming the
 Inam & for granting it on full
 agreement. Then one Raju
 Krishnarao applied for & had
 the land granted to him on full
 agreement till he relinquished in
 1881. This Raju Krishnarao of
 Lira is represented in the Mar²⁵

The Secy in his report of 24.8.75 has observed that he had the records searched in 1891 on the orders of the Secy of the Govt for the papers connected with the land's mentioned by the 1st but could not find any; that the Secy of the Govt asked him to give the 1st an endorsement to that effect, that subsequently to the order (of the district) made by another search was made & he furnished a statement from the district of 22.5.73, prepared in pursuance of the Secy of the Govt's order of 2.5.71 wherein it is said that the Secy

for the grant of the land on full
apportionment; it was given ^{to me} in 1871-72. ✓

I held it on full apportionment title
1880-81 & gave Rajinama in 1881-82.

I had given out these facts last year.

I do not know why the land was
resumed by Govt. after it had
been attached. I had stated last
year that we got the mortgage of
the land from Ratnapiri Venkata Ramachar.

I made this statement through memory (2000 80 80).

While we were enjoying the land
on full apportionment some one of
Sreenivasachari's people, whose name
I do not know, came to us complaining (3000 80 80)
that the Inam land was resumed
by Govt. & that he had no means
of livelihood then. We took pity on
the poor Brahmin since we had
enjoyed the land for 8000 years &
my brother who was then alive gave
the mortgage deed to him.

The Amr's 2nd report merely embodies
this statement.

the plea that Pet^r's father-in-law
was on a pilgrimage to Ramswaram
during the Indian settlement
in taluk is noticed in the Dy
Comm^r's report of 5/7/94 (Serial No. 4
the open file). Pet^r has not
furnished information as to
whether her husband became insane.
Dy Comm^r is accordingly unable
report on that point.

The Pet^r's mere allegation that
father-in-law was absent
7/1 does not ~~merely~~ explain why
he did not arrange for his case
to be considered by an agent, as
provided by the Rules under which
lands were liable to be fully
surveyed if the default continued
more than one year.
Lands were resumed in 1871 &

Sir,

With reference to your
Official Memo No 4 (Pat) dated the

from Seshamma of Melkote regard-
ing an Inam land under the

to the endorsement given to Petitioner
Seshamma from the Dewan's Office

Taluk Pethary previous to the Inam
settlement, it seems to me that
the Inam land in question was
originally granted to Mattada
Krishnachar or Venkatakrishnachar
who was the great-great grandfather
of the Petitioner's husband as shown
in the margin and that the original
grantee's name alone has continued
to be entered in the records. There is
thus no confusion of names. The
land was resumed in 1891, probably
for absence of the Inamdar at
the time of the Inam settlement and
was taken up afterwards on full
apexement first by Agali
